"Old Jop."

An Eddyville special reports that the widow of Gen. H. B. Lyon ridicules the report that one of her husband's old warhorses is still living, aged 54 years. B. F. Smith, who owns the horse, claims to be able to prove by living witnesses that his horse was ridden by Gen. Lyon during the civil war. The General may possibly have ridden the horse when Mrs. Lyon was not with him and as he probably rode 50 horses in four years, his widow may be mistaken in her conclusions.

Kill More Than Wild Beasts.

The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. They're in air, water, dust, even food. But grand protection is afforded by Electric Bitters, which destroy and expel these deadly disease germs from the system. That's why chills, fever and ague, all malarial and many blood diseases yield promptly to this wonderful blood purifier. Try them, and enjoy the glorious health and new strength they'll give you. Money back, if not satisfied. Only 50c at all drug gists.

Ends Winter's Troubles

To many, winter is a season of trouble. The frost bitten toes and fingers, chapped hands and lips, chilblains, cold-sores, red and rough skins, prove this. But such troubles fly before Bucklen's Arnica Salve. A trial convinces. Greatest healer of Burns, Boils, Piles, Cuts, Sores, Bruises, Eczema and Sprains. Only 25c at all druggists.

LIGHTING MERGERS**FOR FOUR CITIES**

Eastern Capital Interests It-
self in Reduction of Man-
ufacturing Cost.

That gas and electric lighting companies in Frankfort, Bowling Green, Hopkinsville and Owensboro will be merged in one \$750,000 concern at a meeting to be held in Louisville, probably Jan. 30, is the announcement made by T. Lindsey Fitch, president of the Capital Gas and Electric Company, of Frankfort. This company, together with the Bowling Green Gas and Light Company, the City Light Company, of Hopkinsville, and the Owensboro Gas Light Company, which manufactures only gas while the others manufacture gas and electricity, will be included in the merger.

Eastern capital is financing the merger. The capitalization of the consolidated companies is to be made \$750,000 to accommodate other companies to be taken in later. The purpose of the merger, it is stated, is to reduce the cost of manufacture and distribution to a minimum and to give the consumers at the same time a reasonable rate.—Louisville Times.

She Was Smothering.

Rockford, Ala. — Mrs. M. C. Paschal of this place, says: "I was taken with nervous prostration, and had headache, backache, pains in my right side, and smothering spells. Escaped With His Life.

"Twenty-one years ago I faced an awful death," writes H. B. Martin, Port Harrelson, S. C. "Doctors said I had consumption and the dreadful cough I had looked like it, sure enough. I tried everything I could hear of, for my cough, and was under the treatment of the best doctor in Georgetown, S. C. for a year, but could get no relief. A friend advised me to try Dr. King's New Discovery. I did so, and was completely cured. I feel that I owe my life to this great throat and lung cure." Its positively guaranteed for coughs, colds, and all bronchial affections. 50c & \$1.00. Trial bottle free at all druggists.
